On a motion by Cox, seconded by Gardner, the meeting adjourned at 12:45 PM.

Respectfully submitted,
Robin Harden
Parks and Recreation Director

Lakes, Parks & Recreation Commission

May 2026 Activity Report

Aquatic Center/Aquatics:

- The last group swim lesson session of spring is underway, with 30 students enrolled.
- Currently, 42 students are enrolled in private swim lessons.
- Beyond Boundaries, our adaptive swim program, is back for its second season. There are 8 participants enrolled, and 14 coaches working to lead this program. The Beyond Boundaries program was selected as Truman State University's Greek Week fundraising recipient. More information on this initiative will be provided at the meeting.
- Summer hiring for the department is complete. Lifeguard training began on April 29. The Parks and Recreation Department has taken the lead on seasonal hiring for all City departments.
- Water Wednesday at the Kirksville Aquatic Center, during the Week of the Young Child, had 25 children along with their parents.
- The sealcoating of the Aquatic Center parking lot was partially completed. Ongoing issues with moisture in the back parking lot prevented sealing of that area. We will be working with Public Works to resolve the issue, and plan for seal coating at that time.

Recreation Programming:

- The Indoor Triathlon, ended on March 2 with 32 of 35 registered participants meeting their goals and earning the completion prize—a quarter-zip pullover. The program has inspired community interest in a triathlon training group, and staff are helping to facilitate this citizen-led effort.
- On March 7, local geocachers partnered with us to assist the Missouri Department of Conservation at their Mother-Son Nature Day. Following this event, they headed to Hazel Creek Lake for the first Cache In Trash Out (CITO) program of the year.
- Spring Tiny Tykes Soccer continues to be very popular. Additional sessions were added to accommodate 60 participants. The season began on March 31 and will continue for six consecutive weeks.
- KBSL registration closed on March 29, with a total of 419 players registered by the deadline. Late registrations are currently being accepted. After our registration deadline, many surrounding towns canceled age groups due to low enrollment. We are working to accommodate players from other communities by identifying coaches and scheduling drafts. Practices will begin the week of April 20. We have 76 KBSL teams in total.

- The 48th Annual Easter Egg Hunt was held on the Truman State University Quad at 10:00 AM on April 4. A total of 12,000 eggs were distributed across four age groups. Kirk the Bluebird and Spike the Bulldog were in attendance, along with the Easter Bunny, for photos with families.
- The Parks and Recreation team joined 1000 Hills State Park for an Earth Day event on April 18, sharing our upcoming programs and events with community members.
- Kirksville Primary School hosted a health fair on April 21. Our department was present to promote programs and outdoor activities that support a healthy lifestyle.
- The Annual Week of the Young Child Celebration was held the week of April 20 in partnership with the Kirksville Child Development Center, Adair County Public Library, Adair County Family YMCA, and Kirksville Parents as Teachers. Each day featured a free event for children under 6 years old, concluding with our Annual Touch A Truck and magic show event. We had a fantastic turnout, making it one of the most successful events to date.
- The City received notice that Kent's Kages has been sold. Staff have been working to develop a new lease agreement, and the batting cages are in operation ahead of the 2026 KBSL season.
- The 43rd Annual Jim Baker and John McConnell Kids Fishing Tournament will be held on Saturday, May 9, from 8:30 AM to 12:00 PM at the 1000 Hills State Park Marina. This event is completely free to the community.
- Our teen and adult theatre show has been announced. Auditions will be held on May 12 and 13 at the Kirksville Aquatic Center for Finding Nemo. We will also hold a children's theatre camp in conjunction with these performances. Budding young actors will join the cast and crew of the stage show as part of the ensemble.

Park Projects/Maintenance:

- Most park bathrooms were open for the season on April 1. Minor repairs are needed on a couple of flush valves and water fountains. Major repairs are needed in the Memorial Park bathroom due to vandalism.
- Crews have been working at North Park to prepare the fields for game play. Base anchors are being replaced and the fields top dressed. The nets have been reinstalled on the batting cages.
- Three applications were received this spring for the Residential Street Tree program. Crews have completed utility locates, and will install the trees the second week of April.
- T&T Tree Service has been working on hazardous tree removal and pruning of trees. Work should be complete the second week of April. Peckosh Landscaping was awarded

the bid for tree plantings at North Park. All of these projects are funded in conjunction with the Missouri Department of Conservation's Community Forestry Cost Share program.

- The Rotary Club of Kirksville has ordered two new signs for the Ray Klinginsmith Amphitheatre. They will be installed above both the front and back doors.

Dates to note:

- May 16 KBSL Opening Day
- May 21 5:30pm PC Mills Splash Pad Grand Opening
- May 23: Water Park Opening
- May 26: Wading Pool Opening
